## PROPERTY DESCRIPTION

Architectural Digest did not feature this distinctively designed condominium in Southbridge, but they should have! Once you pass its beautiful gated entrance, you'll be welcomed by awe-inspiring Mediterranean-style homes, with this two-story beauty perched perfectly in the center of the community. Its location offers breath-taking vistas of the wide-open waters of the beautiful Lake Hamilton and mountains surrounding.

Exuberant design is combined with every modern convenience in this 2,846 sf condominium. With four bedrooms, four baths, 10-foot ceilings, walls of glass with "Plantation" shutters, expansive family areas, two large balconies, landscaping to be envied, and a master suite that will surpass your dreams, luxury is an understatement.
