PROPERTY DESCRIPTION

An area of luxury residences surrounds this prime piece of land. This beautiful wooded lot has a nice gentle upward slope that levels off near the center of the lot, offering a great building spot for your new home. Sitting pretty above the neighboring homes, you'll have some views of Lake Hamilton without the lakeside prices. Not only will you enjoy the lake views, you'll enjoy a very peaceful, serene setting with a natural wooded area bordering the lot's backside. This wooded green space bordering the property is filled with deer & much wildlife and is protected by the neighborhood's covenants. This is a rare find at a great price.
